

**2018 Track & Field/Cross Country Scholars
Funded by the Booster Program**

The Sun Prairie Track & Field/Cross Country Booster Program established this scholarship fund as a means to recognize and support the achievements of hard working, community minded student athletes in 2014. Our plan is to award *at least* two scholarships each year to a selected senior track & field/cross country youth that demonstrates the characteristics that make a Sun Prairie Track & Field/Cross Country athlete unique.

It is our intent, and hope, to recognize one female and one male athlete should the applicants meet the scholarship requirements. It is also our hope to award scholarships to track & field and cross country students as appropriate. The process will consist of two stages:

1. The application: will be evaluated on a point based matrix system taking into consideration the students grades, activities/sports and question responses. The top point scoring students will be invited to an interview with the scholarship committee.
2. The interview: The selection committee is comprised of an odd number of adults who have currently or previously supported the program. No person whose child is applying for a scholarship shall participate in the selection process for that year.

The candidates will have demonstrated leadership, courage, competitive spirit, discipline, integrity, honesty, commitment, inspiration, sense of humor, and the demonstrated ability to work well with, and show kindness toward, others.

Criteria for Candidate Selection:

1. Second semester senior in good standing who will graduate in June of the current school year.
2. Minimum overall grade point average of 2.75
3. Minimum of two-years participating in the Sun Prairie High School Track & Field/Cross Country program at the Varsity level.
4. Two supportive letters of recommendation.
5. **Accepted and planning on attending** an institution of higher education for the *2018 Fall Semester*.

Note: **TYPED Application material** must be completed and delivered to SPHS Guidance Office before **March 22, 2018** Written materials will *not* be accepted.
