This Bootcamp will give students enrolled in Honors English 9 and Honors World History 9, the opportunity to develop skills critical to success in an honors course. The focus will be on developing strategies for stronger organizational skills, a growth mindset, rigorous reading and writing, thoughtful research, and active speaking and listening.

Students will work under the guidance of two veteran honors educators from different disciplines. They will work collaboratively to build a supportive community that will continue to grow throughout the 2018-19 school year.

Do not miss this great opportunity to support your success!
