

New Beginnings & Moving On Up

Patrick Marsh and Prairie View Middle Schools are excited to welcome all students who will be new to the Middle Schools in the fall of 2017!

The 2017 Summer School Program invites all of the following students to participate in the Middle School Summer orientation and transition programs:

CURRENT 4th Grade Students at Eastside and Horizon Elementaries - Moving On Up!

CURRENT 5th Grade Students at all elementary buildings, along with 5th Grade Students at Patrick Marsh Middle and Prairie View Middle Schools - New Beginnings!

Who: CURRENT 4th grade students at Eastside and Horizon may participate in **Moving On Up!**
CURRENT 5th grade students at all elementary and middle schools may participate in **New Beginnings!**

What: A summer orientation program to introduce students to staff and the routines and expectations at middle school

When: AUG 1st and 2nd, 8:00 - 11:30 am

Where: At each student's home middle school

Why: This is a great opportunity to learn more about middle school before the start of school. Students who participate are better prepared to successfully start the school year.

Parents/Guardians may register their children for **Moving on Up** and **New Beginnings** through the online Summer School Registration System which will open on APR 4. When registering for **Moving on Up** or **New Beginnings**, parents/guardians who qualify and would like their children to be bused on district provided transportation, MUST register for busing when they register for the class.

Parents & Guardians, we invite you to take this opportunity to help your child become more familiar with all of the "ins and outs" of middle school!
