

Career Selection

Fill in the chart below by answering the five questions.

- **Career/Occupation:** List four careers/occupations that interest you. Circle your top choice
- **Why Interested:** Why does that particular career/occupation interest you?
- **Education:** What level of education is required to enter the workforce for that career/occupation?
- **Tasks/Responsibilities:** What tasks/responsibilities would you have in that occupation?
- **Required Skills:** What skills do you need?

Career/Occupation	Why Interested	Education	Tasks/Responsibilities	Required Skills

My top career/occupation choice is: _____

Expected starting salary: _____

Education requirements (high school diploma, certificate, associate's degree, bachelor's, etc):

Degree Title: _____

Three colleges/universities that offer that preparation:

1
2
3

What course selection track in high school will help me reach this goal (sciences, math, english)?

What AP Courses do I want to pursue during high school to help to obtain my career goal?
