

User Group Classifications

Group 1 – School Sponsored

Any activity or event that is officially sponsored and/or sanctioned by the school district for administrative or athletic purposes; or by student organizations and clubs as defined in Policy IGDA, (Student Activities), regardless of whether they are Authorized or Independent.

Group 2 – Student Interest Group

Sun Prairie Area School District recognized parent group (SCO), booster club, or resident groups who are devoted to child education and welfare or other student centered athletic or activity interests and are non-profit in nature (85% residency requirement applies).

Group 3 – Service Organizations and Community Interest Groups

Resident groups or individuals who are devoted to service of others or are general community interest, athletic and/or educationally centered, non-profit in nature (85% residency requirement applies).

Group 4 – Non-Resident Interest Groups and Government Agencies

Non-resident groups who are devoted to adult or student education, athletic or activity interests, the general welfare and/or service of others, and are non-profit in nature. Government agencies include local, county, state, and federal, and other school districts (less than 85% residents).

Group 5 – For Profit Groups

For profit groups include those individuals or organizations and companies that have a profit motive; or are groups that do not provide requested financial disclosure information.
