- The first game begins at 4:15, unless otherwise noted. The second game usually starts around 5:15. The big gym is the main P.M.M.S. floor, and the small gym is the auxiliary gym floor.
- Students riding home from away games with their parents must present a signed permission slip to the coach prior to leaving.
- The coaches will estimate the arrival times from away games and make the information available to guardians. We expect students to be picked up within 15 minutes of arrival. Students who are not picked up in a timely manner will have a consequence meeting with the coach, guardian, and athlete.
- Please refer to the Patrick Marsh Athletic Handbook for all eligibility rules and expectations or speak with our Athletic Director, Mr. Shefchik.
