

# EXECUTIVE SUMMARY REPORT

## SUN PRAIRIE ELEMENTARY SCHOOLS: Token Springs Elementary School 05/25/2018

### What's New?

This week at Token Springs, the exterior site work continued with the erection of light poles. The parking lots were also rolled and graded, so they are prepared to receive asphalt within the next two weeks! Inside the building, the gym floor is now painted and sealed. The bleachers and scoreboard will arrive soon, and then the gym will be finished! Carpet is being laid in the 4<sup>th</sup>/5<sup>th</sup> grade classroom right now, along with toilet partitions and final coats of paint. Lights have been hung in the library, and next week the electricians will begin hanging lights in the cafeteria! The ELRC received casework and white boards this week, and flooring and ceiling tile will be installed there soon.

### The Past Weeks

- Finished sealing and painting the gym floor
- Installed toilet partitions in the first floor bathrooms
- Hung lights in the library
- Installed sliding glass doors in the classrooms
- ELRC received casework and whiteboards

### Coming Up in the Weeks Ahead

- Start installing flooring in the hallways and stairwells
- Hang lights in the cafeteria
- Asphalt paving for the parking lots
- Begin pre-punch list to get the school looking perfect!

*In the art room, the casework is installed and the concrete floor is being sealed.*

*Toilet partitions have been installed in the cafeteria bathrooms, and will next be installed in the classroom wings.*

*Sun Prairie's Mayor Paul Esser took a tour of both schools this week! Both he and Findorff are thrilled with how well the schools are coming along!*

*In the library, this large bench with cubbies allows for kids to store their books and backpacks below them while they sit by the window and read a book!*

**Did you know?** Integrating safety measures is a huge point of emphasis at both of the Sun Prairie Elementary Schools. At Meadow View and at Token Springs, all exterior windows will have a highly visible identification number on the outside of it. This will enable first responders to reach specific rooms quickly and efficiently if needed.

## SUN PRAIRIE ELEMENTARY SCHOOLS

05/25/2018

---

*The gym floor is painted and polished! It will be ready for use by the end of next week after it dries.*

*Whiteboards and casework have been received in the ELRC. Next, flooring will be installed along with ceiling tile!*

*Carpet installation is finished in the kindergarten/1<sup>st</sup> grade wing, and the wing is complete except for minor touch-ups! The sliding glass doors, the door hardware, and the clocks were all also put in this week!*

*In the main entrance hallway, the cloud soffits are painted. They are painted the same colors as the classroom wings!*
